Professional Lecture Series

to benefit ABC PAC

Topic/Lecture: Construction Financial Statements -
What Your Surety and Banker Want to See

November 29, 2006 8:30 a.m. - Noon

Speaker: Rich Shavell, CPA, CCIFP
Shavell & Company, P.A.

Sureties and banks continue to tighten underwriting. Here's an opportunity to be prepared by reinforcing your knowledge about the basics of construction accounting and contractor financial statements:

- Learn the percentage-of-completion method
- Understand "over-billings" and "cost-in-excess" and their implications
- How to develop and understand Work-in-Process schedules
- How your financial statement can assist you increase your bonding and lending capacity

This is a **three credit (3) course** as approved by Florida CILB and has been specifically designed for owners of construction companies and others who need to understand the unique financial reporting requirements of contractors.

ABOUT THE SPEAKER

Rich Shavell is Chair of ABC's National Tax Advisory Group. He has testified on behalf of ABC four times before Congress on proposed legislation and twice before the IRS on proposed regulations that affect our industry. Mr. Shavell is the South Florida Business Journal's 2005 Excellence in Accounting Award Winner for Construction and the 2006 Key Partner Award Winner in Accounting for Real Estate.
