Topic:

The New Revenue Recognition Regime: What Contractors Needs to Know

This new "one size fits all" principles-based approach to revenue recognition is a paradigm shift for all contractors who have been accustomed to the percentage-of-completion (PCM) rules-based approach for the last 35-plus years.

Presented by:

Rich Shavell, CPA, CVA, CCIFP | Shavell & Company, P.A.

This presentation will cover:

- ✓ Implementation Considerations
- ✓ Core Principles of the New Standard and its Five Step Approach
- ✓ Major Changes for Contractors
- ✓ Effective Dates
- ✓ Potential Ramifications of the pending change.
