Presenter: Rich Shavell, CPA, CVA, CCIFP, Shavell & Company PA.

Stimulus package:

- What tax provisions were included in the package signed in late December?
- What tax issues are part of the Biden's Administrations current Stimulus Package?

Biden tax proposals:

- What's proposed and what's it really means?
- Are tax increases likely to impact 2022 or 2021?

PPP update:

- Get your Second Draw Loan by March 31st
- PPP and the employee retention credit are retroactively uncoupled - don't miss out on the liberalized and extended credit if you qualify.
- Eligible expenditures have been liberalized - do I need to even consider this?

And the usual:

- Tax cases, regulations issued that impact the industry.
- Planning opportunities
